LARIAT 1954

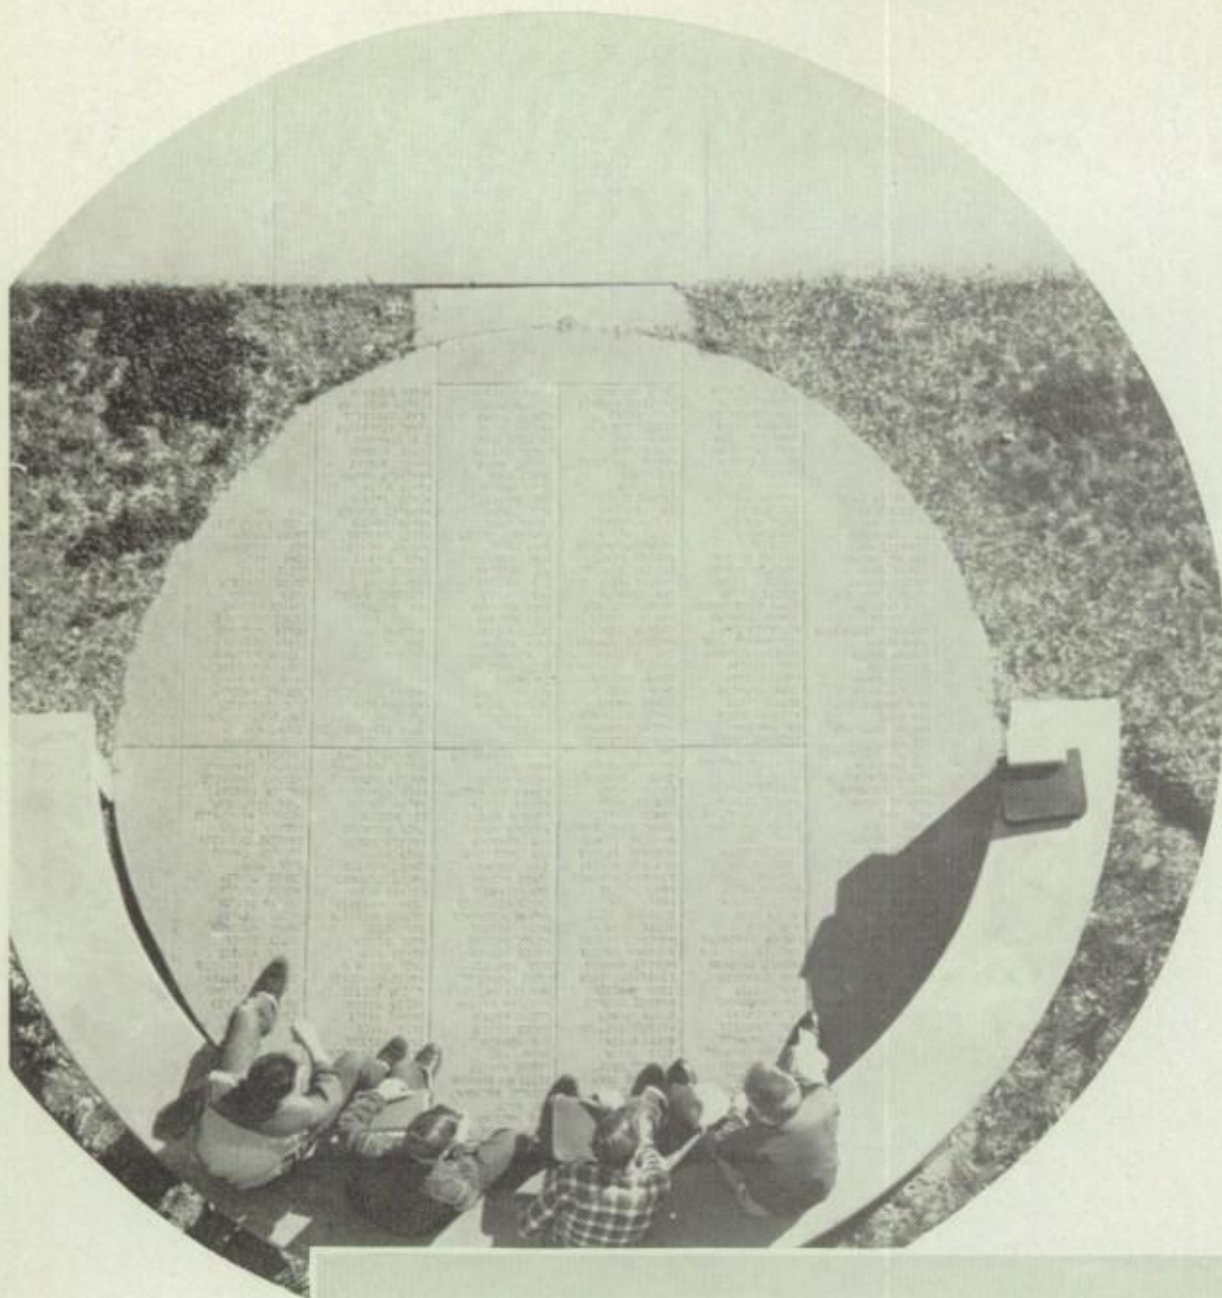

VOLUME XV—PUBLISHED BY
1954 LARIAT STAFF AND PUBLICATIONS BOARD

Foreword

In the following pages of this diary we have endeavoured to bring back memories of the events of 1953-54, in which we have all participated. We, the Lariat Staff, hope that this yearbook will be an account of your memorable experiences and will remind you of the many enjoyable hours you have spent at Will-o'-the-Hill.

Dedication

To those whose
resourcefulness, under-
standing, and leadership
have made the progress
of this school an
inevitable upward
movement toward the
development of a higher
quality of citizen, we the
members of the Yearbook
Staff dedicate the 1954
Yearbook

Dear Diary: AT THE END OF SCHOOL WE ALL JOINED
 HANDS AND SANG "AULD LANG SYNE" . . .

SENIOR MEMORIES

DEAR DIARY:

In September when the doors of Will-on-the-Hill opened, we greeted many new friends as well as our old. After a very exciting and busy week the Seniors sponsored an all-school mixer to become acquainted with the new students. There the upperclassmen found the Sophomore girls cuter than ever.

The second Monday of the new school year everyone knew who were seniors. The Saturday before, the senior rings had arrived at Moody's Jewelry. Surely were a lot of hands fluttering around that week, weren't there?

On the rainy night of September 10, we opened the football season with the annual all-city game. We will never forget that fateful night. The first game was between Rogers and Central. Score: Rogers 0, Central 13. Our second game was with Webster. Score: Rogers 0, Webster 19. In spite of this poor opening our gallant football team went on to prove that they would not admit defeat.

The next big event, especially for the seniors, was the election of the Football Queen and Attendants. After a heated campaign and a close election, Senior Mary Miller was crowned Miss Will Rogers XV. Attending her were Seniors Mary Kramer and Nancy Gilcrease.

The Senior Play, *On Borrowed Time*, as usual was a great success. The actors and behind-the-scene players put on a well-rounded and professional-like production.

Mrs. Marie Swann was in charge, and the leads were Glenn Taylor and Charles Duff.

And how could we ever forget the night our petite Nancy Knight was crowned Sweetheart of the Band. October 16 never saw a prettier Queen or a more deafening response as she was led into the heart formed by band members and candidates, to be crowned.

Another result of that Loyalty night was the Band going western. From the proceeds of the Loyalty night game the Marching Band was able to purchase western uniforms. These consisted of blue cowboy hats, blue and gold shirts, and blue jeans. The members of the Band bought their own boots. The first public appearance in the new uniforms was Will Rogers Memorial Day at Claremore.

On December 18 the football squad was honored at a dinner. The Faculty Combo provided the entertainment.

Crash! Bang! Christmas arrived once more and the Senior Class finished decorating their annual Christmas tree in the front hall. Pat Daniels and her committee of sixteen seniors had a lot of fun setting it up. Besides buying many new decorations they started a precedent by placing "Merry Christmas" on the wall near the tree.

The Christmams Vespers Assembly on December 23 provided an inspiration to all those who attended. Mike Flynn, Suzy Oglesby, Bill Brady, Jim Poage, Frank Emery, Bob Hopper, and the other participants put on a beautiful production.

SENIOR MEMORIES

On February 6, the Will Rogers Key Club sponsored a benefit dance from which all proceeds went to the March of Dimes. This was just one of many generous donations from our students to the Polio Fund.

During the year we learned with regret that one of the most popular members of our faculty will be leaving Will Rogers at the end of the year. Dr. Hiram Alexander has been promoted to principal of the new Edison Junior High School. Although he will be greatly missed, we wish him the best of luck and know that he will be as successful in his new job as he has been in his old.

This year the alumni of Will Rogers had a get-together week-end. Friday nite saw a special section at the football game filled with alumni. Jim McGuire, president of the alumni association planned a dance for Saturday night, October 3. However, most of the evening was spent in remembering with old friends.

On October 16, twenty-two yearbook and School Life students took a trip to Norman for the OIEA workshop. Everyone had a good time seeing the O. U. campus and staying at the North Base. One of our group, Paul Pitcock, gained special recognition as state vice-president.

The most anticipated and remembered day in the year was that day when Will Rogers, Junior, the son of our namesake, visited our school, to dedicate the portrait of his father donated to us by S. N. Goldman. This portrait, by the famous Italian artist Count Tamburini, is one of the two which Will posed for during his lifetime. Will Junior said, "This is the

first time I've seen this school as a school should be—full of students. My father would have been proud." He later stated that he had never seen such a well behaved high school audience.

Near the last of the year things began to pop for the seniors. First came our announcements and name cards. The janitors surely were overworked that week, with all those little papers flying all over the halls.

Senior week, May 21 to 28, was packed and jammed with events and activities for the poor harassed seniors. Thursday, May 20, the caps and gowns were distributed. Then on Friday the 21st the rest of the world was allowed to gaze upon the graduating class of 1954 in all its glory.

Sunday, May 23, we received much inspiration and help from the annual Vesper service.

The Senior Breakfast, Tuesday the 25th, even though attended by Mr. Riddle's sophomore homeroom, was great fun.

On Wednesday, May 26, the Senior Banquet not only provided good food but excellent entertainment for the outgoing class.

At last the great day arrived. Commencement, the last day in Will-on-the-Hill. My, what a lot of weepy women and sad faces going around. After turning in our caps and gowns we received our diplomas and grade cards and walked out of the beautiful doors of our Alma Mater for the last time.

Dear Diary:

The Juniors returned to school this fall very proud to have shed the humble name of "Sophomores."

In October members of the Junior social committee and the chairman Kaye Duncan prepared to start the year off with a bang with an all-school dance. It was held in the gym after the Bartlesville football game, October 23. Blue and gold crepe paper adorned the ceiling of the gym.

The successful election of the junior football queen attendants, pretty Betty Jane Tucker and Trina Wright, was a memorable experience for us all. Juniors agree (and sophomores and seniors admit) that we as usual proved our ability for electing capable and talented girls to represent our class.

On another grand occasion the juniors proved their capability in choosing their class officers. The president was Leslie Earl; vice-president, Barbara Rodd; secretary, Jeanette Hornsey; treasurer, Donna Ross; social chairman, Kaye Duncan; student council representative, Mike McNally. As everyone knows they have been tops in their offices this year.

On November 15, Sunday afternoon, the annual open house was held in observance of Will Rogers' birthday. Parents and teachers met in the various rooms and attended an assembly on American Education Week. At this time a bronze plaque, honoring the memory of those students who made the supreme sacrifice in World War II, was unveiled. It was surrounded by large flags and baskets of flowers. To the students of Will Rogers it stands as a reminder of their inheritance.

The Will Rogers auditorium is quiet and hushed every Monday morning now for our chapel service. Started by the Student Council in 1953, services are held every week during home room period, and attendance is voluntary. A minister of a different faith every week gives us his message.

The Juniors elected a representative from each junior home room to be on the Senior ring selection committee. The efficient committee selected rings from three different companies to be displayed in the show case, for the entire Junior class to see and vote for. The juniors were both pleased and proud to know they would soon be seniors displaying the rings on their hands.

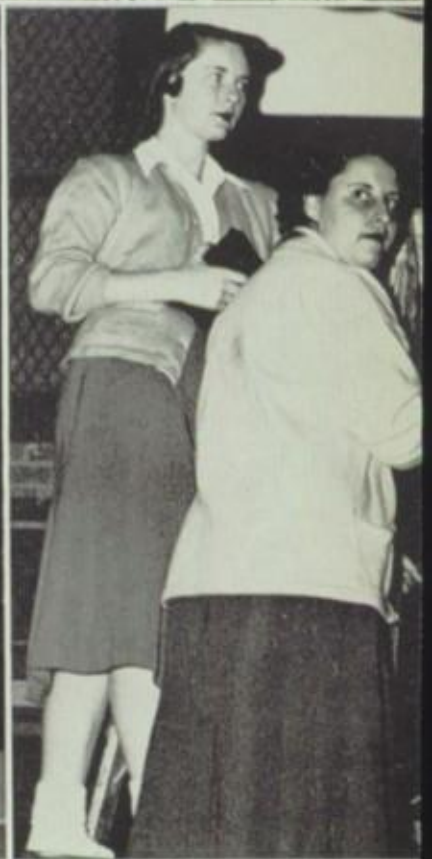

Some members of the class were disappointed when after the first month of school the Rangler Pep Club was discontinued because of lack of interest but we hope it can be reorganized with 100% attendance next year.

An unusual but grand event this year was the Junior Class play, *You Can't Kiss Caroline*, presented October 3-4. With a double cast, leads were played by John Coulter, Peggy McBride, Nancy Trippett and Jerry Keller. On the opening night an unusual virus epidemic attacked part of the cast and many people in the audience. This did not discourage the juniors, however, because cast members who became ill were replaced and they gave a performance the following night. The effect of the epidemic was felt throughout the classrooms. There were many, many empty desks in classrooms during this and the following week.

In May, the juniors realized by the tears in seniors' eyes that they were soon to be the upperclassmen of the school, a realization which was difficult to believe. They had always looked up to the older ones and now they had the great responsibility of displaying senior rings and accepting themselves as seniors for the following school year.

All juniors and seniors look forward to the beautiful prom held each May while sophomores look on with envy. We think the Juniors do a good job of decorating, financing, and planning the biggest social event of the year.

SOPHOMORE MEMORIES

Dear Diary:

The many new changes were quite understandable when we witnessed the largest sophomore class to ever enter the doors of Will Rogers. Due to the increased enrollment, which included some 795 sophomores, it was necessary to make an addition of thirteen new faces to the faculty, several of whom were replacements. On Friday, September 11, 1953, we had our traditional welcome assembly to honor these new faculty members and students.

The warm friendly feeling showed to us by the efficient Student Council and the upperclassmen made our first impression of Will Rogers High School an indelible one. To make the first difficult week easier for us the Student Council distributed handbooks containing information about the school and its traditions. Also some of the Council representatives acted as guides during registration week.

The Rogerite, a weekly publication, was one of the many new changes during the year. In this way the students were always well informed about the latest news items around the school.

One of the most important events of the year for the sophomores was the election of class officers. After a very exciting week of campaigning, Jack Stacy emerged as president. Other officers were Don Short as vice-president; Angella Sexton as secretary; Betty Griffin, treasurer; Pat Hughes, social chairman; and Upton Hudson, Student Council representative.

The next great event in our school life was the thrilling traditional coronation of the Will Rogers Queen. Being our first coronation we did a grand job choosing our queen attendants. The final ballot named Mary Oxley and Marilyn Polite the ones to represent our sopho-

more class. Since we had never experienced a ceremony such as this we were overwhelmed.

The sophomores had the pleasure of seeing the movie "The Will Rogers Story" on November 13, 1953.

Among the important events of school life was the Sophomore Christmas party held December 18 in the gym. One of the highlights of this party was the election of the Sophomore Christmas Queen. Each home room chose a girl as a candidate, and then all of these candidates were introduced in forum. The voting was done the night of the dance and the winner was cute Pat Hughes from Mrs. Riley's home room.

The future forecast forum was held in January. Predictions were made for the sophomores two and a half years from now.

The Family Play Night, on January 25, was a huge success. The halls found people from six to sixty having a gay time watching athletic demonstrations and fashion shows, while others enjoyed the pie sale, games, and dancing. The Rogers Swing Band furnished the music for this long awaited event.

The sophomore play, *Janie*, presented April 1-2 was a huge success. A large number of sophomores took part since the play had a double cast consisting of about 50 people.

The sophomores surprised the seniors this year when Mr. Riddle's home room won the senior play ticket selling contest and won the privilege of attending the senior breakfast in May. They sold over 1000 per cent, the greatest percentage in fifteen years.

Now the sophomores are looking forward to being distinguished juniors next September, and looking down upon the entering lower classmen.

It is the work of the Publications Board to decide upon all business matters for the Lariat, such as printing, photography, and engraving contracts.

This was the first year that the publications Board had the opportunity to vote on the use of color in the Lariat. It was also their decision to have the large color picture of the school in the opening of the book. Due to the increased enrollment the Board found it was necessary to enlarge the 1954 Lariat to one hundred eighty-four pages which makes it the largest yearbook in the school's history. With the Board's final vote the Lariat cover was selected and the exact

number to be purchased was decided upon.

Faculty members of the Board are Miss Caroline Copeland, chairman; Mr. C. C. Pruitt, business manager; Mrs. Hortense Bateholts, art; and Mr. Charles Westgate, photography.

The student members of the Board and their positions are: Marilyn Hartman, secretary; Jane Self, assistant business manager; Tom McPherson, photography; Jane Brown and Paul Davis, art representatives; and Karol Winters, Paul Pitcock, Ann Vestal, Mary Miller, Ann Davis, and Jimmy Clark, representatives from the Yearbook class.

Activities

With the increase in enrollment, more pages have been added to the Lariat and due to this there were more jobs and problems for the Lariat Staff to undertake. Various jobs of the Lariat Staff in compiling a yearbook are making picture appointments for 2100 students, helping to take organization pictures, and deciding on the theme and color of the yearbook.

Other jobs for the staff are checking names, arranging pictures on panels, preparing and delivering copy for print shop, reading proofs and distributing the completed book at the close of the school year.

For the first time, the Publications Board decided to use additional color and a color picture of the school in the yearbook. The Art Staff submitted cover designs and planned the use of color in the book.

Tulsa School Life is a weekly paper printed by all three Tulsa high schools. *School Life* students write features, news stories, and editorials which are sent to the office at Central where the paper is made up.

The staff at Will Rogers has 23 members. This year a special project was initiated when the first issue of *The Rogerite* was distributed on November 5. Home room reporters turn in the news and the paper is mimeographed with the help of the Business Machines Classes. Two members of the *School Life* class were chosen as editors of each issue.

Rogers *School Life* staff members attended the Oklahoma Interscholastic Press Association in October in Norman and a workshop on March 12. They also attended the annual T.U. Journalism Day.

This has been a busy year for the Photography Club. In addition to taking pictures for the *Lariat* and *School Life*, they have prepared entries for various contests. Much time has been spent preparing these entries for the local Candid Camera, National Scholastic Press As-

sociation, and National Scholastic contests. Besides this Jim Boatright, Tom McPherson, and Steve Wixson have put in many extra hours shooting pictures to be shown on TV and in the city papers.

The Photography Club held weekly meetings on Wednesday mornings at 8:10. The new members learned dark room procedure and other methods of photography technique.

The color slides for the Open House Program in November were made by Jim Boatright.

Will Rogers football team opened their 1953 season with a 32-0 triumph over the cross-town rivals, the Webster Warriors, with Bill Edwards leading the way at fullback. Rogers chewed up 304 yards on the ground, scoring four times on the ground and once in the air.

After losing a heart-breaker to Central by the score of 6-0, they bounced back to down the Bulldogs from Okmulgee 26-0, in Skelly Stadium. Bill Edwards, Don Gallamore, and Jack Wright all reached pay dirt in this contest. The second touchdown was a pass from Ritschel to Wright, while all the rest were long-scoring runs. John Tiger kicked the extra points.

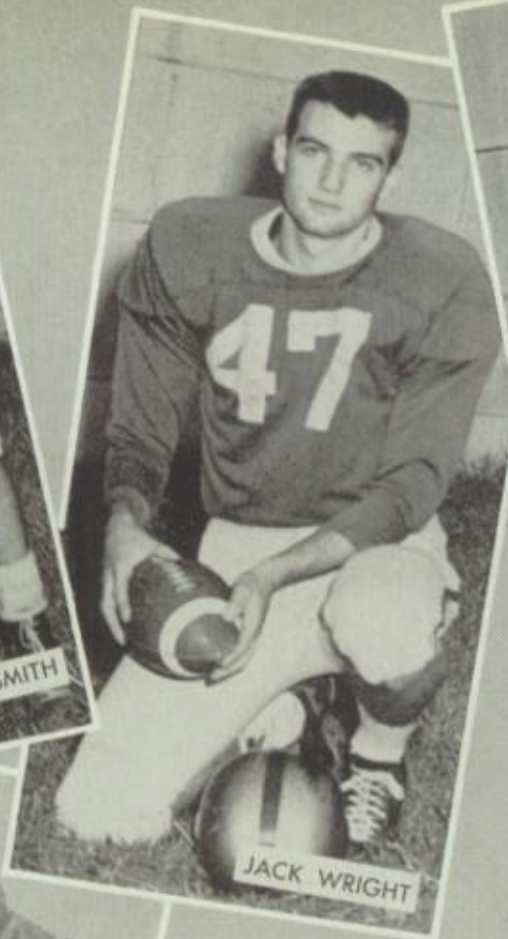

On October 16 the up and down Roper eleven took a hard knock on the chin when the Lawton Wolverines dumped Rogers 33-7 at Webster Stadium. Rogers capped a 75-yard drive when Eddie Haug plunged over for the talley. The march was highlighted by two 20-yard passes from Haug to Brumble.

Will Rogers again found it rough when they returned to Skelly Stadium the following week for a clash with the powerful Muskogee Roughers. Muskogee romped to a 34-0 win.

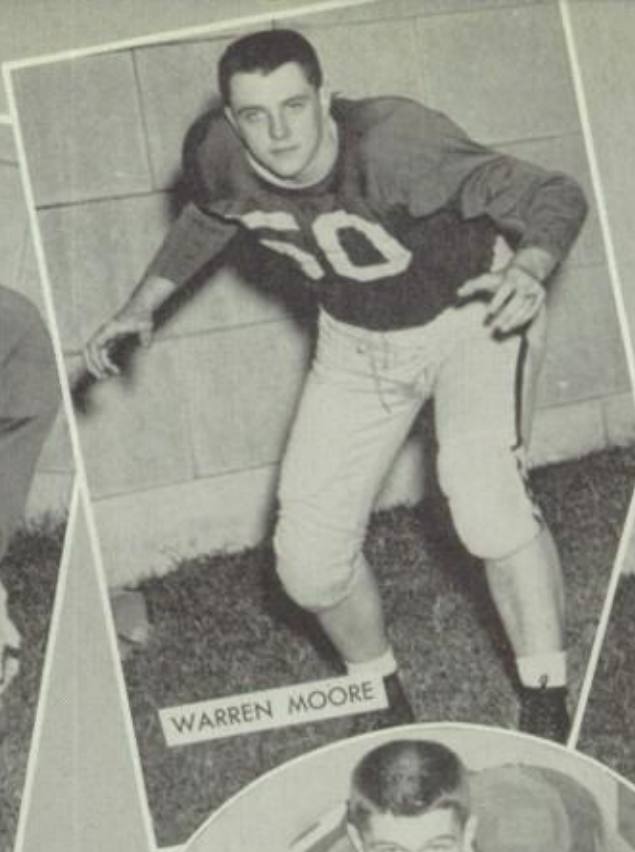

On October 30 Rogers played Sapulpa and lost one of the thrilling games of the season, but it was no disgrace, for it marked the start of the

season's revolution in football for Rogers. After the 14-13 loss to Sapulpa their record stood at 2-4. But Rogers closed out the season with 3 straight wins. Ronnie Calvert was shifted to quarterback while Don Ritschel and Bob Brumble went to the halfback slots.

In the second game with a new backfield the Ropers shut out the Sand Springs Sandites, 7-0. Ritschel set up the touchdown with an intercepted pass and a 20 yard run two plays later. Brumble and Edwards carried the mail to the three-yard line where Ritschel threw a pass to Bob Curtis in the end zone.

Will Rogers finest performance came the next week when Bartlesville came to town. Rogers ate up 230 yards on the ground but two touchdowns came as a result of intercepted passes. Chester Byrd, Rogers stout little safety, stole two Bartlesville passes and ran both back for scores. Bob Brumble set up the next touchdown by rambling 42 yards for the final talley. Bob Curtis split the up-rights for two extra points.

Will Rogers football team closed the season with a sparkling 27-14 victory over Oklahoma City Classen in the capitol city, November 19. It was a brilliant display of running put on by the Ropers big fullback Bill Edwards that carried the team to victory. Edwards ran for three touchdowns and Ritschel scored one.

The Ropers wound up second in the all-city and fourth in the Oklahoma Six Conference.

Jack Wright, Bill Edwards, Phil Woodruff and Joe Bill Miller all made the first string of the all-city team, picked by the Tulsa newspapers.

On the all-state team Bill Edwards was picked as a back for the football elites. Jack Wright got special mention and Bob Curtis received honorable mention. These were named on the Tulsa papers team.

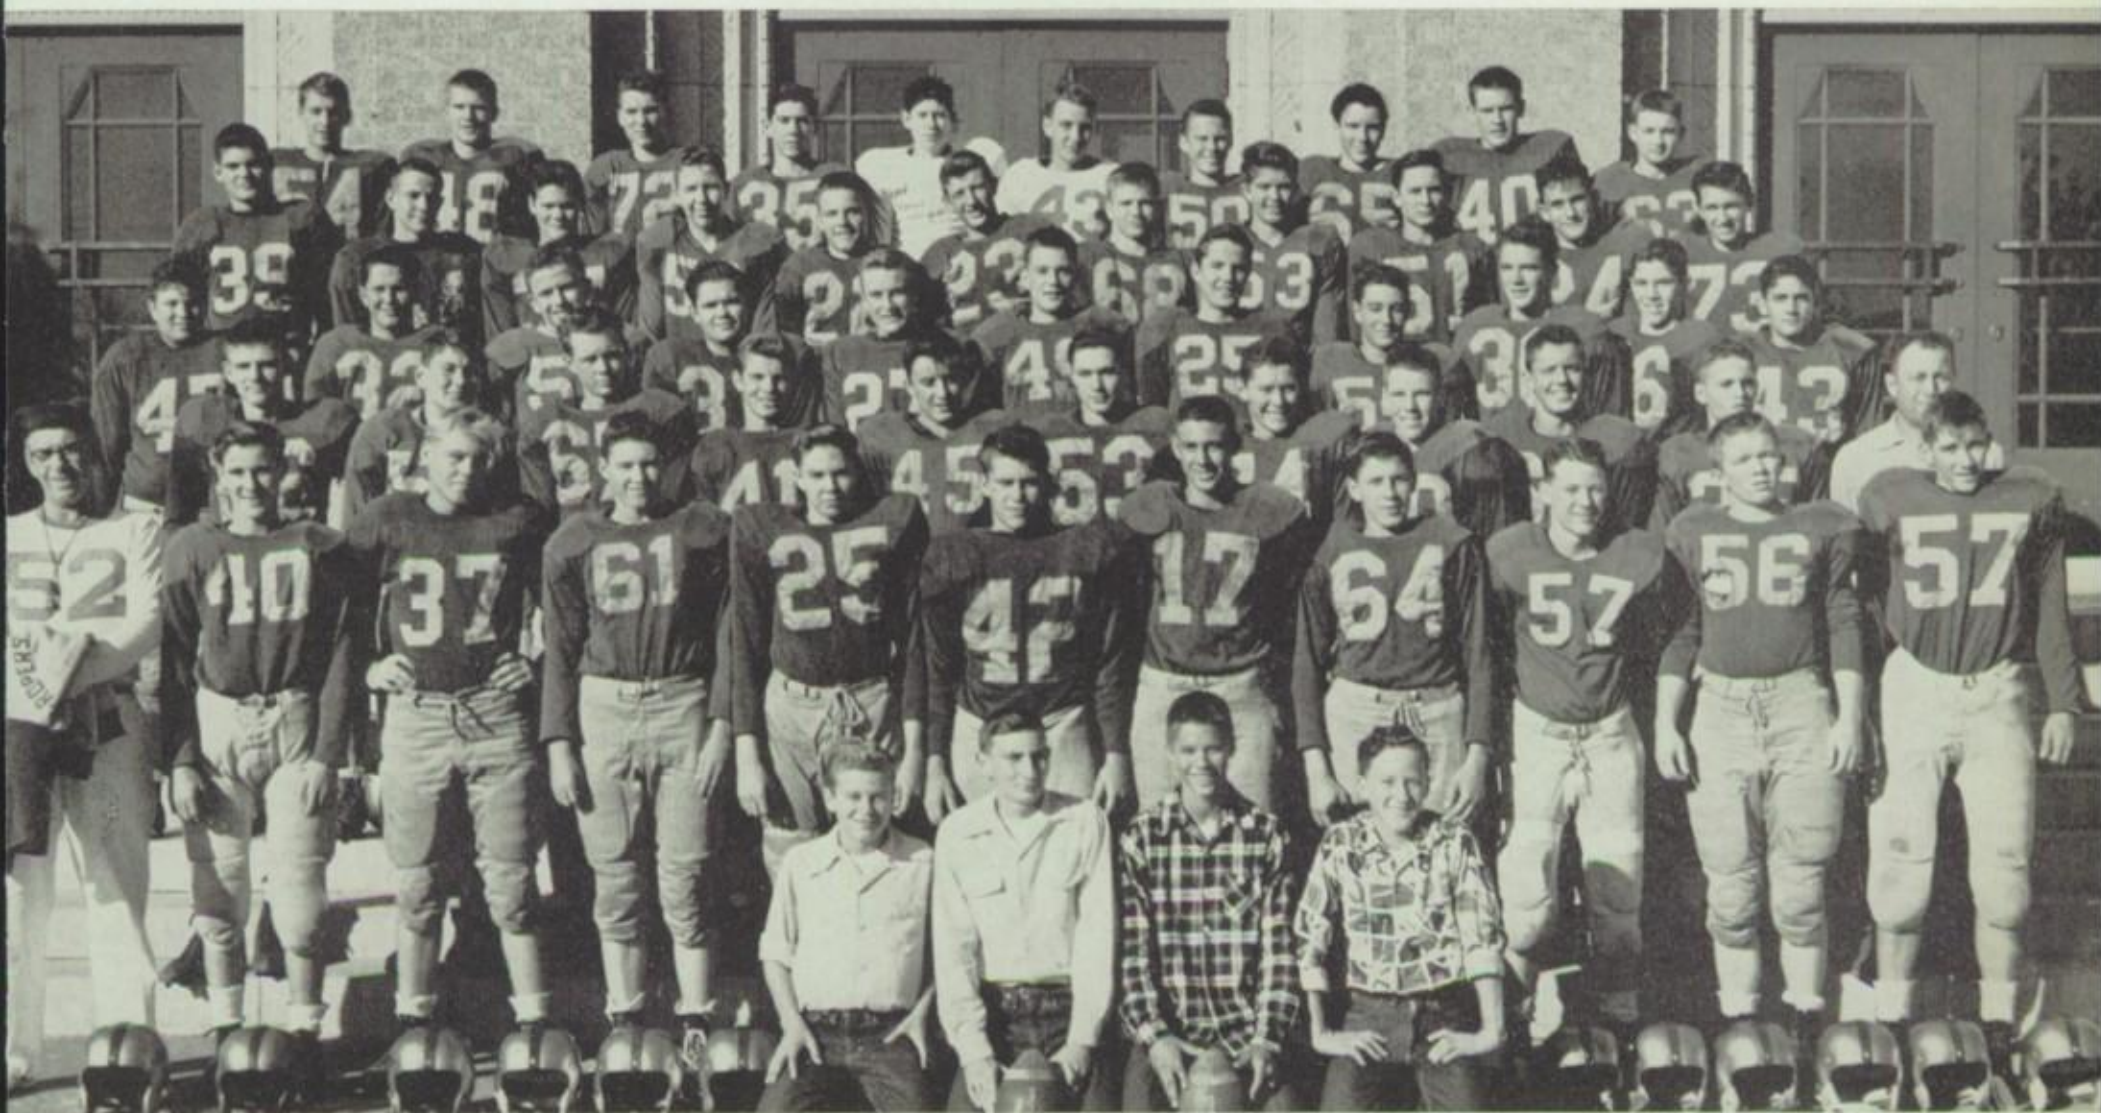

The Daily Oklahoman also named an all-state team with Edwards and Wright making the first team.

The hustling Roper "B" Squad had a highly successful season. Led by Coaches Emil Schellstede and Harry Knapp the Roper eleven won ten of eleven games, losing only to Central, 12-6.

Will Rogers B Squad football team of '53-'54 was one of the best in the school's history winning eight and losing one. Their defense was the highlight of a fine season even though the offense was nothing to sneer at.

Rogers shut out their opponents in their first three games and only gave the opponents during the entire season five touchdowns. Two of those scores were by Central in their second meeting of the year, but Rogers failed to score more than once and were beaten in the last game of the season 12-6 after winning eight straight ball games.

Rogers scored three times in each of the first four games beating Muskogee, Pryor, Sapulpa, and Bartlesville. The Wildcats were

the first team to score on the young Ropers and that came near the end of the game.

In their fifth game of the year they edged the team they wanted most to beat, the Central Braves. Rogers managed to score only once but their mighty defense shut out the Braves for the victory, 6-0.

The second touchdown scored against Rogers didn't occur until the sixth game when Bartlesville scored one but was beaten 20-6.

Rogers rolled up their highest total of the year over Webster scoring 24 points to the Warriors 6 before losing the final game of the year to the Braves. Rogers did not allow a single extra point after any of the touchdowns.

The Roper netmen found themselves with a highly improved team last year as they managed to win over half of their matches.

Although these contests failed to draw the crowds that the football and basketball games did, all of us who attended found them highly exciting and well worth watching.

In the opening match of the season we had a very close affair with Bartlesville, edging them by the score of 8-7, but when we played them later in the season we had a much easier time as we won by the score of 11-4.

Our team steadily improved from game to game and concluded the season by winning three out of their last four matches.

The 1953 edition of the Rogers golf team enjoyed a 9 won, 3 lost, one tied record to post a successful season. The Ropers also placed second in the conference meet. Jerry Pittman, Jim Hedges, John Hyden, and Jim Middleton, lettermen of the preceeding year, led the team to seven straight victories before being beaten by a highly-touted Central squad $9\frac{1}{2}$ - $2\frac{1}{2}$.

The Ropers opened their season with a $7\frac{1}{2}$ - $4\frac{1}{2}$ win over Stillwater with Jim Hedges stroking a smooth 77. Two following matches with Bartlesville and Muskogee were won easily as Jerry Pittman posted 73's in both contests. These two matches were followed with wins over Sapulpa, Wewoka, and Bartlesville.

The squad then posted their seventh straight win by beating Stillwater $11\frac{1}{2}$ - $1\frac{1}{2}$. Jerry Pittman again was brilliant as he toured the tough Oaks course with a par 72.

This was followed by the Central contest and a rematch 6-6 tie. Pittman posted a 79 as the lingsters thumped Cascia Hall $14\frac{1}{2}$ - $3\frac{1}{2}$.

Okmulgee provided better competition for the Ropers as they were edged by the Bulldogs in their next match 7-6. Arising for the next match, the team thumped Muskogee $10\frac{1}{2}$ - $1\frac{1}{2}$. Cascia Hall dumped the Ropers in their last match before their conference meet which ended a very successful season.

Third Row: Bob Lawrence, Joe Parrott, James Graham, Sonny Henderson, Bob Curtis, Clyde Forrest, Dave Atkins, Charles Bailey, Neil Sparks, John Camille.

Will Rogers Track team coached by Otto Endres brought a lot of honor, school spirit, and one championship to the school last year in their conference and tournament meets.

James Graham won first place in the state in the pole vault late in the season and Sonny Henderson won a second place in the hurdles.

Coach Endre's best all-around star was Bob Curtis who participated in almost every event to rack up the most points.

The team won four and lost one winning first in the conference and also ran in six tournaments and relays.

Rogers beat Bartlesville, Muskogee, Web-

ster twice, and tied Central, while losing to Bartlesville.

They finished second in the All-City meet, the Regionals, the Bison Relays, and won the Ft. Smith relays. In the A. & M. relays they ran in fourth place, and were awarded 7th place in the state tournament.

David Atkins put on a good show every time he ran the mile for Rogers and there was a terrific battle between Atkins and the Central milers when the event took place.

Reed Ferguson, Billy Kemp, Barney Lowe, Jerry Bergeron, Bill Blank, and Jim Dvorack carried the load in the short relays.

Cross Country Team

Front Row, left to right: Manager Chuck Gay, Bill Kemp, Bobby Campbell, Jim Dvoracek, Bill Blank, Tommy Whitsett, Albert Shoefstall, Reed Ferguson, Gene Goens. Second Row: Coach Otto Endres, Marvin Burnett, Leon Huff, Mike Aldrich, David Shuppert, George Bullett, Vernon Haddox, Don Bancroft, Bob Tabor, Bill Wolfe. Third Row: Jon Chadwick, Gerald Stanfield, Henry Wright, Don Partridge, Bob Steele, John McClurg, Alvin Davis, Micky Flick, Tom Moughon.

The fleetfooted Roper cross country team of Coach Otto Endres had a highly successful season by never finishing lower than second, but never higher. The Braves, of Central, led by Ron Wade, were pressed all season by the swift Roper thinclads, led by Reed Ferguson. Ferguson was seldom more than a few yards behind Wade at the finish.

At Stillwater and Duncan the team finished ahead of Lawton and Duncan. The Ropers

came the closest to Central at the Webster meet where just a few feet separated Wade and Ferguson. At the state meet the Ropers gave a good account of themselves by placing in a field of ten teams.

Lettermen: Bill Kemp, Bobby Campbell, Jim Dvoracek, Tommy Whitsett, Albert Shoefstall, Reed Ferguson, Gene Goens, Bill Blank.

A Basketball Team

Front Row, left to right: Tom Brown, Neal Nixon, James Mason, Jack Pontius, Harry Skinner, Jack Wright. Second Row: Bill Rogers, Mgr.; Don Morris, Mike Haugh, Jim Barrett, Don Ritschel, John Tiger, Chet Byrd, Coach Woodrow West.

On December 1 the Roper round-ballers opened up the basketball season against Claremore in the Zebra gym. With a lot of height the Ropers out-rebounded and out-shot the Zebras for a 59-38 team victory. Neal Nixon started a scoring spree by shoving through 15 points.

The Ropers then came home on Tuesday to entertain the Fort Smith Grizzlies. The Ropers gave us a good show by taming the Grizzlies 43-39. Nixon again had 15 points to his credit.

When the Will Rogers Invitational rolled around in December the Ropers made a great showing. They stomped Broken Arrow 56-29, rolled over Cushing 66-51, and shot past Pryor, 44-38, into the finals against Central. The Braves handed the Roper quintet their first loss, 50-45, in these finals.

The fabulous five went on an easy road trip to Broken Arrow where they engaged and

promptly battered the other five 59-43. The rest of the Roper bench saw plenty of action for the last three quarters of the game.

The next game found the Blue Gold in Ponca City. The Ropers were cool but still scored plenty of points for any other game. They lost by ten, 62-52.

January 5 the Sapulpa Chieftains were cornered in the Roper gym and got away with a 58-39 loss.

The Ropers left town and went to Okmulgee where they again went wild and made the nets blistering hot. The Bulldogs went down by a big margin, 79-31.

The Central Braves stopped the Ropers cold in the first half of the next game but the Ropers melted the Braves in the second half and won 52-44.

The Sand Springs Sandites tripped the cool Roper round-ballers in the Will Rogers gym, 42-39.

JACK WRIGHT

Jackie Pontius was named as one of the first five on the tournament team and Jim Mason was selected as one of the second five.

In the first game of the Regionals the Ropers defeated Muskogee 48-32, then downed Webster for the first time during the year, 61-53. We then soundly trounced Central by a score of 56-34.

After winning the Regional tournament at Muskogee, Rogers met Capitol Hill, at Oklahoma City, in the semi-finals AA state tournament and lost 71-55. Capitol Hill went ahead to win the state championship.

The Ropers whipped Muskogee and Webster in the first two games of the Regionals 48-32 and 61-53. We then soundly trounced Central by a score of 56-34, but the Capitol Hill Redskins defeated us in the state meet 71-55.

While still at home the Ropers again took it on the chin when they dropped a contest to Webster 53-39.

The Ropers pulled a big upset over the Bartlesville Wildcats on January 22. With Jack Wright leading the way, the Ropers turned in a thrilling victory, 53-52.

January 29 the Ropers traveled Sapulpa way where they again encountered the Chieftains. The Ropers were up to their old trick of playing it cool in the first half and then roaring back in the second half. The Chieftains went down the second half and Rogers won, 50-43.

Okmulgee pulled a big upset by reducing the Ropers, in the second meeting, by a score of 44-41.

With two boys coming off the bench to put on a tremendous show the Ropers downed the Braves at Central 49-48. James Mason sunk the winning basket in the last fifteen seconds, and Mike Haugh dropped in eighteen points to help the Roper game.

February 12 the Blue and Gold team went to Webster for the second meeting of the two schools this season. The Warriors again bounced the Ropers, 45-50.

Traveling to Bartlesville, Harry Skinner dropped in six points, in the first overtime game for the Ropers, and the Ropers won 65-63 to make it two in a row over the Wildcats.

February 19 the Muskogee Roughers came to town on a two night series. Friday night the game went to the Roughers in a very close game.

Saturday night at Muskogee the Ropers were unable to hit enough baskets and fell again, 45-35.

The fired up Ropers traveled to Sand Springs where they were dropped again by the Sandites in a very close game by the score of 43-42.

On an overnight trip to Fort Smith the Blue and Gold led the Grizzlies at each of three quarter marks but ran out of gas in the last quarter and were dropped 53-45.

We shipped Webster twice, 17-15 and 18-12, and Blackwell, 20-13, also Central 13-12, once. The Roper grapplers beat Central in the last match before the Regionals for the first time in ten years.

Alan Avery, Bob Herald, Duane Murty, Ben Walcott, Kent Sullivan and Don Whittler all took decisions. Duane Murty took third in the Regionals at Stillwater and Bob Herald took second, Sullivan and Walcott took thirds and Duane Murty, a fourth in the State meet at

Webster. The team finished fifth in the State.

Bob Herald went undefeated during the regular eight match season and Ben Walcott dropped only one. Grapplers returning for the 1954-1955 season for attempts at undefeated seasons will be David Marshall, Ben Walcott, Sam Shepherd, Don Shitler, Bob Schultz, Jack Alexander, and Ray Biery.

In their first games the Ropers defeated Broken Arrow, 8-2, walloped Bartlesville 17-3, and embarrassed Muskogee 28-0. Doing excellent work on the mound for the Rogers nine were Jack Wright, John Alexander, and Ronnie Hinsen.

Jack Wright hurled a 6-0 shutout over Sapulpa in the next encounter. Rogers downed Bartlesville 18-4 and won 20-7 over Sand Springs. Rogers edged out a 2-1 count over the Central Braves in a closely played contest.

A scrappy Sand Springs nine turned in the upset of the season as they handed Rogers

their first loss 4-2. Then the Ropers trounced Okmulgee 18-4. Rogers bested a more alert Muskogee crew 3-0 as Ronnie Hinson and Dick Phillips joined their talents to hurl a one-hitter.

Will Rogers captured the Class-A Regional title at Broken Arrow as they slaughtered Central 17-3 with a barrage of 19 hits. Jack Wright and John Alexander shut out Sapulpa 8-0 allowing only 2 hits. Rogers had established the unbelievable record of 13 wins, with only one loss.

In the semi-finals of the state tournament Will Rogers knocked over the Duncan Demons 7-0. Rogers lost to the Oklahoma City Capitol Hill Redskins 12-4 in the state tourney.

This is the year that the Girls' Recreation Association became a member of the state G.R.A.

Tournaments were held for volley ball, basketball, tennis, and softball. The tournaments were played at the regular meeting time, 3:30 till 5:30, Tuesdays after school.

Points were given for team membership and participation in dance and swimming. Fifty points are required of each active member. Several received their first award which requires 150 points.

We remember all the hours of practice before the Modern Dance Club gave their first performance for the P-T.A. Family Fun Night.

Remember how long it took for their leotards to get here. They finally arrived two weeks after the Lariat pictures had been taken.

The girls were worried after learning that Miss Berta Brown had married and was moving to Kansas. But Miss Anne Harris came to their rescue and became their new sponsor so the newly organized Modern Dance Club could continue to meet and work hard on Tuesdays after school.

Girls' Physical Education

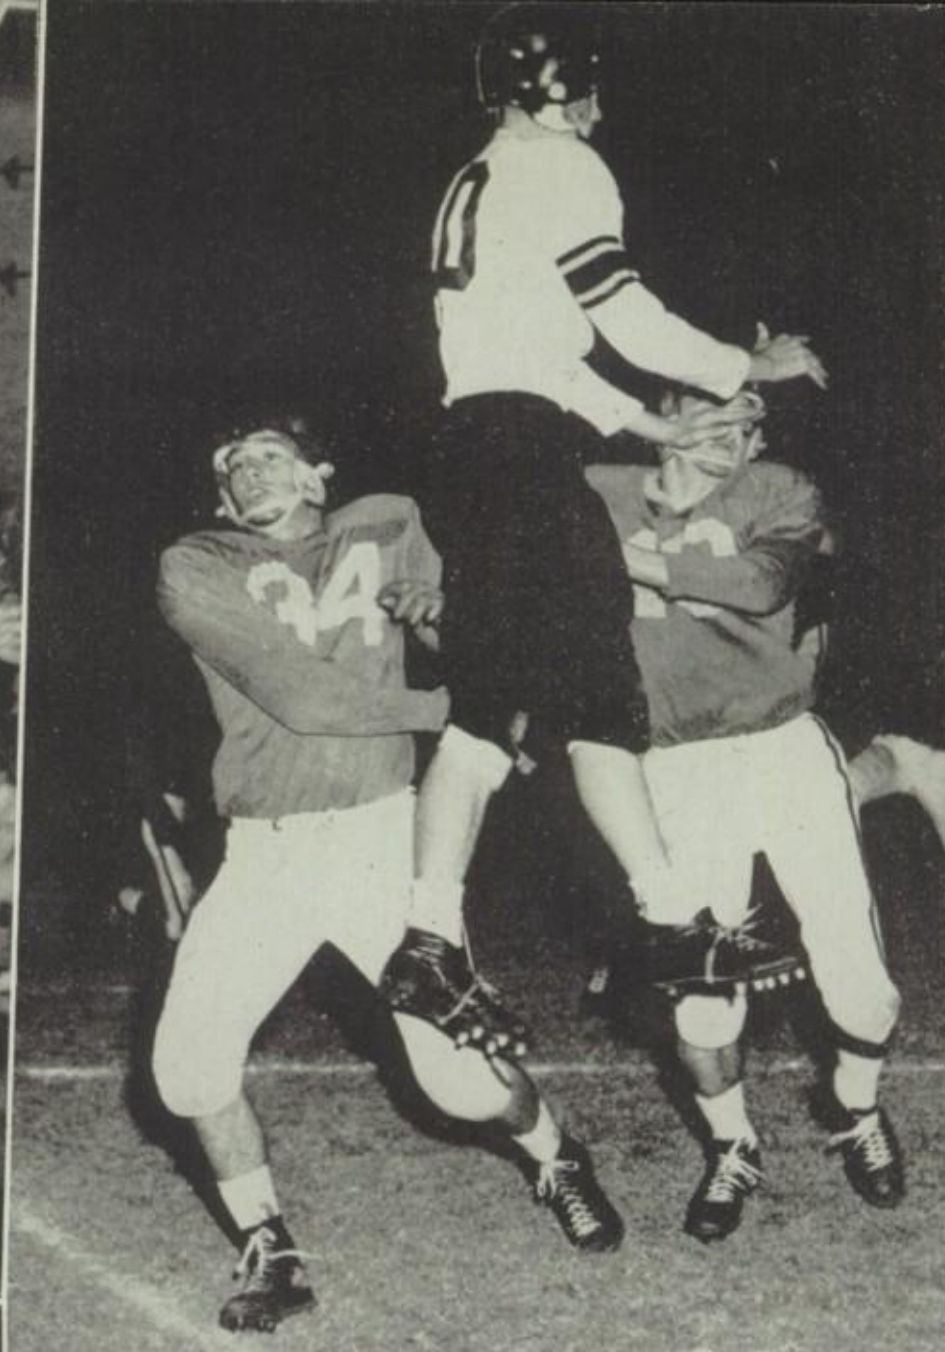

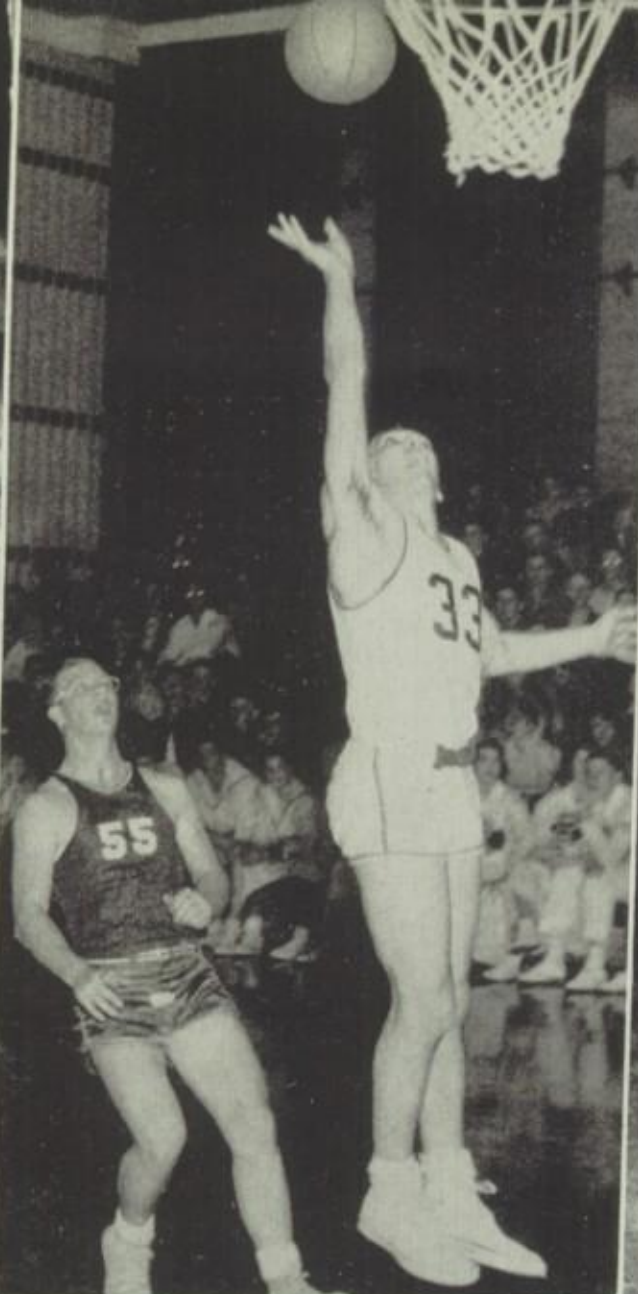

The girls' physical education classes carried on a varied program of activities during the year. Some of the fall sports were field hockey and volley ball, golf and basketball. Softball and tennis were the main sports in the spring.

Posture pictures were taken at the beginning and conclusion of the year, to show improvement made in the girls' posture.

Once a week, dancing was taught and the girls learned folk, square, modern, and social dancing.

Swimming instructions were given during the year and at the close of the courses, girls were given final examinations according to their ability. These examinations were set up by the American Red Cross.

The teachers giving instruction in physical education were Mrs. Berta Brown White, Mrs. Kay Camp, Mrs. Lola Lockwood, and Miss Margaret Anne Harris, with Mrs. Edna Dunagan as accompanist. Mrs. Bertha Hudson serves as matron in the girls' gymnasium.

Dear Carolyn,

In all the years we have known each other, in our disagreements and arguments we have somehow, somehow, survived to this day. I am glad that I can say we have been best of friends for quite awhile and hope to be for a long time. Though people come in and take our places in best friend rank we always seem to get back together somehow.

I guess, as far as I know now I will probably be married or close to it by this time next year, but our friendship I hope will not stop. I won't change me a bit, I hope.

Stay close to the Lord and he will help you in every thing you start to do. He has helped me many times and know he has you. Pray for me that I will stay with the Lord what ever the outcome may be between Charles and I.

Well I guess this wouldn't be complete without a little advice. Don't go with any one that doesn't go to your Church. You see what a mess I am in don't you?

I had better close this nonsense and go home so be good and think of me once in a while.

Your friend

Jane Smith.

Charles M. Dale
